WHEN HE IS GONE. When I am gone," he sighed, "the sun cense granted.

Will shine on in the sky; The tinkling rivulets will run, ply for such license to catch or take And flowers will bud and die! When I am gone the breeze will blow And trees will bloom and grain will grow

And bappy children still will make When I am gone the birds will sing And men and maidens in the spring, Will live to love away !"

When you are gone," she said, "the re Will blov itself in June; The winding brooklet, as it flows, Will sing the same old tune! When you are gone the ducks will quac Just as they quack to-day. And every planet, in its track,

When you are gone the bumble bee Will bumble as before, And sails will gleam upon the sea. And waves will shake the shore! When you are gone, the gentle breeze Will blow as now it blows,

But, oh, my friend, some breweries

Will swing through space away !

May be compelled to close !" -Chicago Times-Herald.

### wered when we first made SCOTT'S EMULSION

of Cod-Liver Oil with Hypophosphites. Although that was nearly twenty-five years ago, yet it stands alone today the one great remedy for all affections of the threat

tion, "What is the one great

remedy for consumption?'

He will answer, "Cod-liver

oil." Nine out of ten will

Yet when persons have

consumption they loathe all

fatty foods, yet fat is neces-

sary for their recovery and

they cannot take plain cod-

liver oil. The plain oil dis-

turbs the stomach and takes

away the appetite. The dis-

agreeable fishy odor and

taste make it almost unen-

durable. What is to be done?

This question was ans-

answer the same way.

The bad taste and odor have been taken away, the oil itself has been partly digested, and the most senifive stomach objects to it rarely. Not one in ten can take and digest the plain oil. Nine out of ten can take SCOTT'S EMULSION and digest it. That's why it cures so many cases of early consumption. Even in advanced cases it brings comfort and greatly prolongs life.
